

## Symposium I. Invited Speaker

**Mr. Sam Wilkinson**

**Senior Market Analyst, Photovoltaics Research Group**

Sam Wilkinson is a senior analyst within IMS Research's PV research group. During his time working within the group, Sam has been responsible for researching the PV inverter and PV cell and module markets, working closely with leading global suppliers to develop detailed analysis on these markets. Sam has also been responsible for establishing primary research reports and benchmarking services for global system integrators and EPCs, complementing IMS Research's extensive coverage of the supply chain further.

Before beginning his career at IMS Research, Sam worked as a structural engineer for one of Europe's leading engineering firms. During this time he worked with leading companies in the construction industry on designs for some of the country's most recognised landmarks.

Before joining IMS Research's PV group, Sam graduated from The University of Nottingham with a degree in Engineering. He is based in the company's headquarters in Wellingborough, UK and may be contacted at [Sam.Wilkinson@imsresearch.com](mailto:Sam.Wilkinson@imsresearch.com)
