

Tien Wu

Director and Chief Operating Officer, ASE Group

Tien Wu joined Advanced Semiconductor Engineering, Inc. (ASE) in March 2000, where he was appointed Chief Operating Officer in 2006. He also serves as a member of the Board of Directors. ASE is the largest semiconductor assembly and test company in the world, with revenue exceeding US\$6B in 2010.

Prior to joining ASE, Tien held several management positions within IBM including R&D, manufacturing, and sales in the United States, Europe, and Asia-Pacific. He holds twelve U.S. patents and has authored over twenty-five articles. Tien has a BSCE degree from Taiwan University, and also earned MS and Ph.D. degrees in mechanical engineering and applied mechanics from the University of Pennsylvania.
